Led by MY PEAC's most experienced coaches, this program focuses on equipping teachers and coaches with up to date, athlete centred approaches to coaching. With a strong emphasis on holistic development, it provides practical resources, tools and drills to improve session quality and student engagement.

1

Coaching Individuals

Learn how to identify and isolate technical deficiencies. Then progress to integrating technique into game sense training.

2

Coaching Teams

Learn how to create inclusive, engaging environments where players feel safe, supported, and motivated to learn and grow. Learn how to plan and deliver effective sessions.

3

Practical Instruction

Gain knowledge and experience with a number of technique and skill based drills. Use simple and consistent feedback language.

4

Coaching the Modern Player

Learn how to gain the trust and respect of players. Integrate video and technology into your coaching.

5

Holistic Approach to Coaching

Promote holistic growth as a priority. Learn how to develop the whole athlete and coach with empathy and care for off field challenges.
